## Fern

Designed By Haworth Design Studio and ITO Design

Standard Lead Time: 15 business days plus shipping

The Fern task chair is the world's first chair designed with edgeless comfort. Fern's Wave Suspension™ system is the heart of the chair and the key to its back comfort and flexibility. Inside is a high level of science, engineering, and innovation that enables Fern to work with you, not against you. The task stool provides this high level of comfort for working at raised height surfaces.
